

# Summer Camp 2018 Castleconnell

Dear Parent,

We are all set for our annual camp to Castleconnell, Scout Campsite.

As usual we will be running a full programme both on and off the site which will keep the scouts fully entertained.

While we are on camp we will be contactable on the following numbers.

Tony O'Shea	086-2584753
Kevin Corkery	087-9192688
Dave McGowan	087-6344340

Depending on the coverage and activities phones will not always have coverage or be to hand so don't worry if we don't answer immediately.

## **Campsite Details:**

Castleconnell Scout Campsite, Co.Limerick

In keeping with the groups child protection policy there are **no phones or Cameras** allowed on the Camp, we would ask parents to support us with this and ensure your scout's phone is left at home.

The maximum amount of pocket money has been set at €30. This will be held and administered by the Camp Treasurer no money is to be kept by scouts in their tents. Pocket money can be given in on Wednesday night before the camp or on the Saturday of departure. Pocket money to be handed up in an envelope with the scouts name on it.

We would ask all parents to observe this decision.

## **Travel Plans:**

### **Saturday 21<sup>st</sup>**

All scouts are to meet at the Tennis Club at 10:00  
Scouts are to bring a packed lunch for arrival at the site.

### **Saturday 28<sup>th</sup>**

We will be departing the campsite at 14:00 and our ETA at Aghada is 16:00. Pickup will be at the boat yard where all scouts are expected to help with the unloading and storing of the equipment.

Yours in Scouting

**Kevin Corkery**  
**Sea Scout Section Leader.**
